

## **Matlock4Climate**

We are Matlock4Climate, a student group which has been organising monthly demonstrations in Matlock since April as part of the Fridays for Future movement.

This September we will hold another protest for the international general climate strike!

All over the world, both students and adults will strike from work and school to call for climate action. This is anticipated to be the greatest day of climate activism ever!

So don't miss out. Our event is student lead but we don't exclude anyone. Whether you are a parent, grandparent, auntie, uncle, friend, we need you. The climate crisis seriously threatens our future and the future of our planet. We can't afford to let that happen.

Friday 20<sup>th</sup> September 2019 – 11.00-2.00 pm Crown Square, Matlock
